Bev Matthews | Chief Executive Officer | Minerva Learning Trust

Under the law, men and women must receive equal pay for:

- The same or broadly similar work
- Work rated as equivalent under a job evaluation scheme
- Work of equal value.

Minerva Learning Trust is committed to the principle of equal opportunities and equal treatment for all employees, regardless of sex, race, religion or belief, age, marriage or civil partnership, pregnancy/maternity, sexual orientation, gender reassignment or disability. It has a clear policy of paying employees equally for the same or equivalent work, regardless of their sex (or any of the above characteristics)

Minerva Learning Trust maintains nationally recognised pay scales for teachers and support staff and evaluates job roles and pay grades as necessary to ensure a fair structure.

Minerva Learning Trust are confident that its gender pay gap does not stem from paying men and women differently for the same or equivalent work, rather its gender pay gap is the result of the roles in which men and women work within the Trust and the salaries that these roles attract.
